DID YOU KNOW?

There are new treatment and prevention opportunities to protect you and those around you from hepatitis.

More than 4 million people in the US are living with viral Hepatitis. Most don't know it!

Hepatitis A can be prevented with a safe, effective vaccine.

Many people got infected with Hepatitis B before the vaccine was widely available.

Treatments are available that can cure Hepatitis C.

Interested in getting tested for HIV or Hep C? Go to www.gettested.cdc.gov to find your nearest location!

In Louisiana, the number of newborns diagnosed with neonatal abstinence syndrome nearly tripled in 10 years due to increasing opiate use among pregnant women.

Interested in supportive services while pregnant? Call **Healthy Start New Orleans** at (504) 658-2600 for more information.

FREE trainings regarding Opioid Epidemic for community members, pharmacists, prescribers, services providers, EVERYONE!

Please call the **Revive. Survive. OverDose Prevention** Program of OHL at (504) 418-4995.
